

GOAL TAXI™

WORLD'S BEST GOAL MOVER

Time Saver

Efficiency is everything. Spend more time in training sessions and less time dragging goals and equipment on and off the field. It only takes two people to do the work of six. Time saved with field set up and breakdown.

Safety

Prevent risk of injury to parents, players, and staff who may be improperly lifting and transporting heavy and awkward goals, benches, and barriers. Avoid unnecessary injuries with our product.

Turf Preservation

Protect your turf! Both natural and artificial turf is expensive. Goal Taxi is the most efficient means of transport for every type of goal and facility equipment on the market. It will not damage turf when used as designed.

Universal

Designed to accommodate every shape and size, Goal Taxi effortlessly transports any style goal that has been manufactured over the last several decades. It also transports benches, crowd barriers, player shelters, and more.

Affordable

One set of Goal Taxis will save thousands of dollars in your budget! There will be no need to purchase inferior wheels and accessories that break down, rust, stop working, get lost, and simply cannot do the work of Goal Taxis.

Quality

Goal Taxi is made with high quality materials for strength and coated for durability. The anti-slip tape and eight inch pneumatic swivel wheels allow for ultra-smooth transportation on any surface. Load capacity: 500 lbs.

GOAL TAXI™
